Implementation of long-term PD programmes has been largely supported through funding support from the Government and His Majesty's Scholarship at Naresuan University. In addition, the University has also received gracious support from the Government of India, Australia, Japan and Denmark. Funding was also extended by the other countries through cost sharing modality. A

number of slots were implemented through open scholarships secured by staff such as merit/research scholarships from universities and scholarships offered by different countries.

5.1 Human Resource Management

During the year, 41 new academic staff joined the University against various regular and fixed term positions in the Colleges, of which two were PhD, 12 with Masters Degree qualifications and the remaining 27 with Bachelor's degree qualifications.

5.2 Staff Strength

RUB has a total of 546 academic staff and 571 administrative & technical staff. Academic staff includes 34 expatriates and 64 Bhutanese working on fixed term appointments, and 448 regular academic staff. Of the 546 academic staff, 485 academic staff are on campus shouldering their normal duties while 61 academics are on study leave.

The data indicate 77 regular academic staff with Bachelor's degree qualification; at least 34 academic staff are yet to complete their Masters degree. Furthermore, it may be concluded that the current figure of regular academic staff with PhDs is likely to increase from 47 to 66 at least in the next 2-3 years.
