## 1.2 Proportion of Students by Sex

Overall, 47 percent of the total students are female and 53 percent are male. College of Language and Culture Studies (CLCS), College of Natural Resources (CNR), and the two colleges have more female students whereas College of Science and Technology (CST), Jigme Namgyal Engineering College (JNEC) and GCIT have a much lower proportion of female students at an average of 32 percent. Following is a graphical representation of the proportion of male and female students in each college.
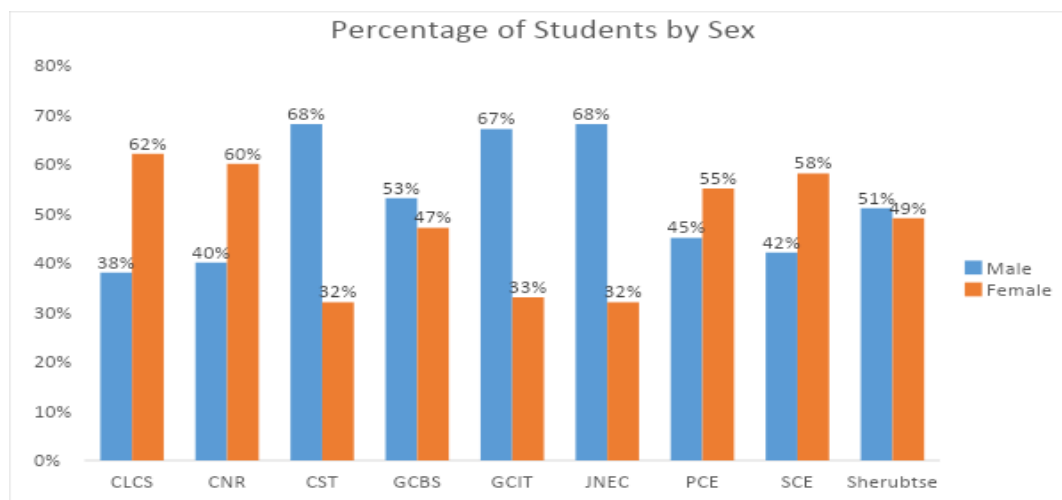

## 1.3 Students at Different Levels of Study

The majority of students in the University are pursuing bachelor degree. There are 6432 students in bachelor degree which is 85.6 percent of the total students. It is followed by 580 students in diploma, 331 in master degree and 137 in postgraduate diploma/certificate (PG). There are only 7 students in Doctor in Philosophy (PhD) level.

## 2. Student Intake

### 2.1 Total Intake

In 2023 the University admitted 2296 students including students in postgraduate studies. Paro College of Education (PCE) followed by GCBS and Samtse College of Education (SCE) have the highest intake. Overall there is a decrease of 95 students in comparison to 2022 intake. However, PCE and SCE increased their student intake by 115 and 139 students respectively in response to the high attrition rate of teachers in the schools.

| Sl. No. | College name | Male | Female | Total |
|---|---|---|---|---|
| 1 | CNR | 60 | 103 | 163 |
| 2 | CST | 211 | 105 | 316 |

### 2.2 Proportion of Student Intake by Sex

Of the total intake of 2296 students, 1,128 or 49 percent are female and 1,168 or 51 percent are male students. As usual the intake of girls in engineering and ICT remains low at an average of 37 percent.

Sex Ratio

- Male 1168
- Female 1128
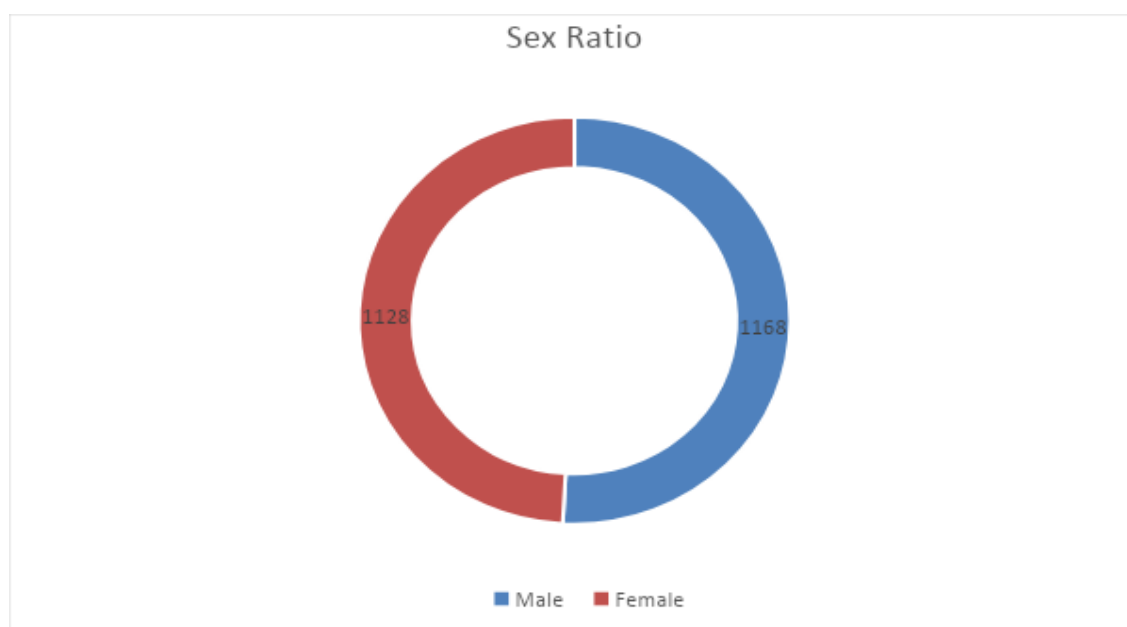

## 2.3 Intake by Scholarship

The majority of the new intake of students are funded by the RGoB. In 2023, there are 2,029 students under RGoB scholarship which is almost 88 percent of the total intake. Apart from that, a total of 18 students were funded by various scholarships; eight under the King's Scholarship, five Leadership Scholarship at Sherubtse College (SC) and five under Madanjeet Singh Scholarship at CNR. The remaining 249 students were enrolled as self-funding.

Types of Scholarship

- Government Scholarship
- Self-Funding
- Other Scholarship
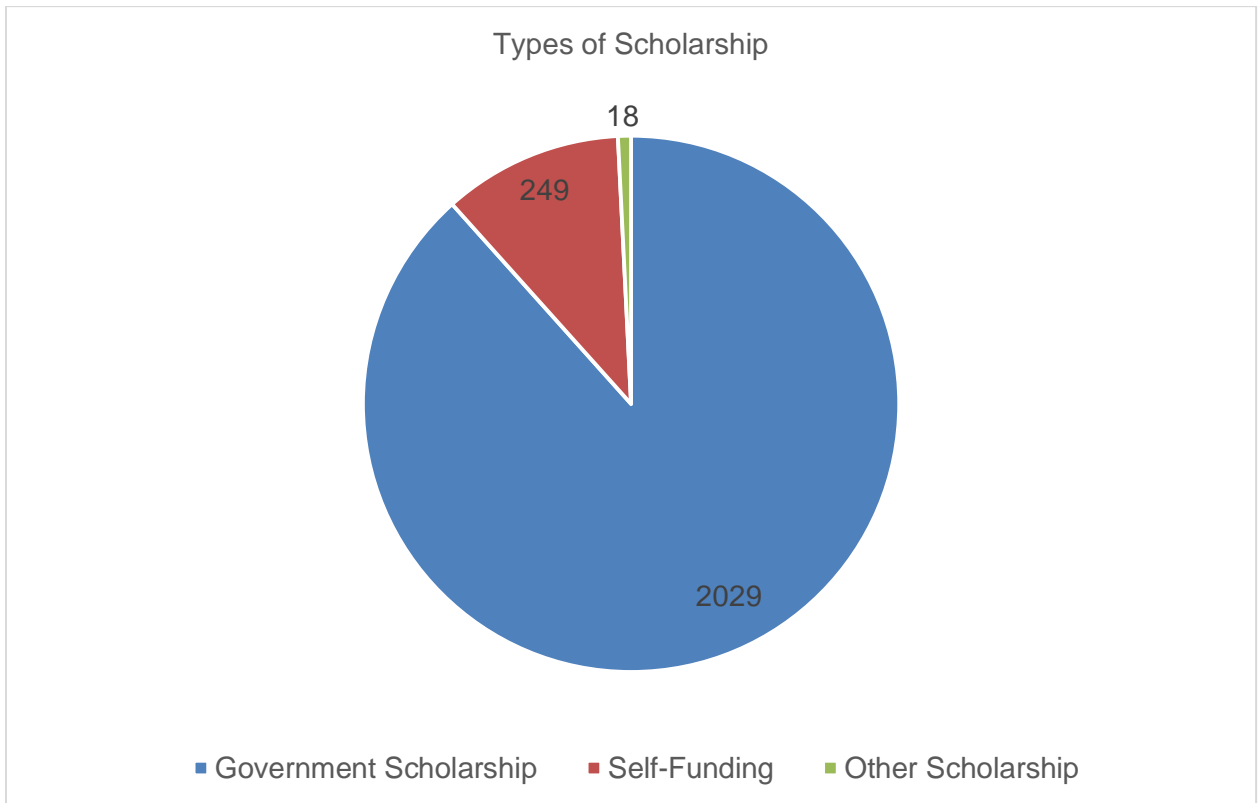

## 2.4 Intake of Students at Different Levels of Study

Of the total intake 18 percent are enrolled in diploma programmes, 73 percent in bachelor degree, 6 percent in postgraduate diploma/certificate programs, 3 percent in masters and 0.13 percent at PhD level.

### 4.4  Source of Funding for HRD of Academic Staff

Implementation of long-term studies of academic staff are largely supported through funding from the RGoB and His Majesty's Scholarship. In 2023, 37 percent of the long-term studies for academic staff are under RGoB funding followed by 15 percent under HM's Scholarship. In addition, the University has also received gracious support from the Government of India, Australia, Japan and Denmark. Funding was also extended by the other countries through a cost-sharing modality. A number of slots were implemented through open scholarships secured by staff such as merit/research scholarships from universities and scholarships offered by different countries.
